WHO CAN ATTEND MOPS?

MOPS is a program designed for all mothers with children under school age, infant through kindergarten.

Therefore, you must have at least one child who is in this age group or expecting your first to attend a

MOPS group. **We also welcome expecting mothers!**

WHAT DO YOU TALK ABOUT AT MOPS?

MOPS provides a safe and supportive place to talk about all the realities of being a mom! In the MOPS foundational book, What Every Mom Needs, the authors outline six primary needs they believe are universal to all moms. We have listed these needs for you below as our evenings together this year have been planned specifically to address these needs:

Identity	Growth
Help	Relationship
Perspective	Hope
